01 | TARGET AUDIENCE & EMPATHY MAPPING

PERSONA

"Corporate Ama"

Young Urban Professional

AGE

26–34 years

LOCATION

Adenta/Madina → commutes
Ridge/Airport

INCOME

GHS 5,000 – 12,000 / month

PLATFORM

TikTok & Instagram (in traffic)

PAYMENT

MoMo & WhatsApp orders

THINK & FEEL

"The Accra midday heat is draining me."
Wants clean eating but dreads heavy lunches
making her sluggish at 2 PM.

SEE

Colleagues eating oily fast food. Fitness vlogs
on IG/TikTok. Branded wellness campaigns
on commute screens.

SAY & DO

Skips breakfast to beat traffic. Grabs cold
soda at 3 PM for convenience. Shares health
goals on socials.

PAINS & GAINS

Pain: Long food queues; zero trust in 'healthy'
labels with artificial syrups.
Gain: Feeling vitalized — frictionless
WhatsApp orders respecting her time.

CORE INSIGHT: Ama doesn't just want a healthy drink — she wants a productivity hack to survive her hectic Accra workday.

02 | MARKET POSITIONING & PERCEPTION MAP

UNIQUE VALUE PROPOSITION

*“Raw Ghanaian juice.
Two taps.”*

Street Vendors

Fast but artificial — energy crashes

Premium Bars

Fresh but slow & expensive

CityFresh

Fresh + Fast + Affordable = Sweet Spot
